PASADENA TOURNAMENT

Red Cecile Brunner

(Pat. 578) Named for the world-famous Tournament of Roses at Pasadena, this fine floribunda is the perfect red counterpart of the familiar Sweetheart Rose, Cecile Brunner. Small, dainty, bright red buds, and beautiful velvety red open flowers. In the garden Pasadena Tournament makes a compact small to medium sized bush, well clothed in rich green foliage. Nearly thornless, it can be used in masses close to walks without danger of torn clothing. See illustration

\$1.75 each, 3 for \$4.65

CLIMBING PASADENA TOURNAMENT

Climbing Red Cecile Brunner

(Pat. 797) A fine climber with the same practically thornless habit and dainty, deep red "Sweetheart" type buds which open to marvelously velvety textured flowers of fine form, high centers and with the same excellent keeping qualities so admired in the bush type.

\$1.75 each, 3 for \$4.65

LADY ANN KIDWELL

(Pat. 1226) It is another Sweetheart type similar to Pasadena Tournament and Red Sweetheart but distinct in the shape of bud and open flower. The delightful long buds with gracefully pointed petals of rich pink to almost red in cooler weather will take your attention. Growth upright to about 4 feet and the free flowering habit and fine healthy reddish tinted foliage densely covering the plant make this a fine addition to our list of floribunda roses.

\$2.00 each, 3 for \$5.25

RED SWEETHEART

(Pat. 577) Another Marsh introduction. Carmine red buds opening to rose red blooms. The flowers are slightly smaller than those of Pasadena Tournament when fully open. The buds make exquisite corsages, boutonnieres.

\$2.00 each

HONEY

(Pat. right reserved) A neat little semi-double floribunda, new last year. Plants grow 1½ feet high, and bear a continuous crop of chartreuse yellow buds which open to lemon-yellow flowers, turning to creamy lemon occasionally touched with pink. Appealing.

\$2.00 each, 3 for \$5.25

DENNY BOY

(Pat. 1105) A new Marsh rose. The buds begin as bright yellow little jewels, and the opening flower is a creamy yellow. But each day the color changes—first a faint blush of ruddy orange, then a speckling of light pink, and as the days go by each flower evolves through darker pink, coral, cherry and finally to a deep ruby-red. And yet, where the magic of the sunlight failed to fall, the petals are still pale gold. Flowers are long-lasting, and the plants bloom steadily all season long. A superb, enduring cut flower, and a faultless hedge rose. Denny Boy is the finest and most unique floribunda you can grow.

LIONEL MAYELL ENTERPRISES
150 East Coronado Road
Phoenix, Arizona

November 17, 1957

Mr. Edward E. Marsh
Marsh Nurseries
150 No. Lake Avenue
Pasadena, California

Dear Mr. Marsh:

As you know, Arizona has just gone through one of the hottest summers in its recorded history. I have just returned from my inspection tours of our two large apartment projects in Phoenix and Tucson. Our Villa Del Coronado in Phoenix is the finest luxury type apartment enterprise in Phoenix, valued in excess of two million dollars. Our other project is the Villa Catalina in Tucson on East Fifth Street at Country Club Road, and when it is finished will represent over two and one quarter millions of dollars.

But this is not what I want to say. We were thrilled to learn just this week that your beautiful rose, one of the loveliest of all roses, dedicated to Phoenix and known as THE PHOENIX SUNGLOW, of which we have several dozen in our lush gardens, and which were proudly supplied under your landscaping of the beautiful Villa Del Coronado, have been a riot of color now for months, and our office there reports many persons coming in daily inquiring as to the name of the rose and from whence it came.

And one of the strikingly interesting things about these roses is this: During the hot summer months just past we lost thirty per cent of other of your plantings, but not one single one of these roses did we lose.

You are to be commended by the Lionel Mayell Enterprises for your very fine landscaping of our various properties, but most particularly for your own creation of this loveliest of roses.

Very truly yours,

LIONEL MAYELL ENTERPRISES, INC.

(Signed) Lionel Mayell, President

GUARANTEE

We guarantee all our nursery stock to be true to name, and every plant to be alive when it reaches your hands. If you are not pleased with the appearance of the stock, return it to us at once, before planting, and we will replace it or refund your money.

However, after the plants leave our nursery, weather, soil and care govern their life and condition; therefore, we will not be responsible for the continued life of the plants, or for the crop. Our liability, in all instances, is limited to the purchase price of the nursery stock.

COLIN KELLY

(Pat. 752) Our own introduction. Colin Kelly seems to be particularly well adapted to warm regions, where it outblooms many other roses. The color is a beautiful, lively pink, changing to cerise red according to the weather and the season. But it is the unforgettable fragrance of this rose which endears it to every gardener. If you like your roses good and sweet, then Colin Kelly is for you! Supply very limited this year.
